### PASTOR'S CORNER

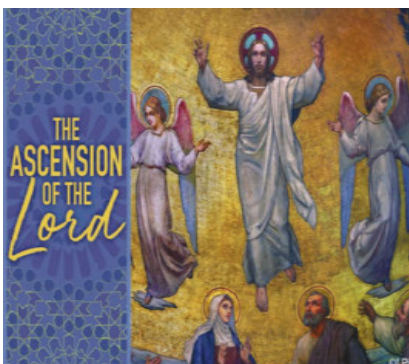

Beginning this weekend and for the next two weekends at some of our parish Masses, we will welcome First Communion children around the table of the Lord. It's been a tradition here at Holy Family for several years and in many other parishes to celebrate this important moment for these children and their families in the context of the Sunday liturgy. As a Sacrament of Initiation, reception of First Eucharist marks the beginning of their full participation with us in our weekly worship. It gives us all an opportunity to fittingly welcome them, and to provide a loving witness and support as they begin partaking regularly in the Body of Christ.

I invite you to pray for them and their families, that the faith these children express by receiving Jesus in Holy Communion will grow into a rich spiritual life with Jesus that will withstand the pressures of our culture to marginalize faith and the worship of God on Sundays. Also, if you're able, I invite you to make a special effort to personally congratulate these children, letting them know how proud you are of them and how much you look forward to seeing them at Mass each weekend. Finally, as a neighbor, relative or friend of one of these children, if their parents are unable/unwilling to go to Mass regularly themselves, consider offering to have their child accompany your family to church.

These are the Masses at which our First Communion children will participate: Saturday, May 4 at 5:00 pm; Sunday, May 5 at 9:00 am, Sunday, May 12 at 10:30 am; Saturday, May 18 at 5:00 pm; Sunday, May 19 at 10:30 am.

God bless you!

Fr. Bob

### ASCENSION THURSDAY

(MAY 9) is a  
HOLYDAY OF  
OBLIGATION -

## SIXTH SUNDAY OF EASTER

**RESPECT LIFE CORNER** - Our parish Respect Life Committee runs an item once a month to educate our community about the Catholic Church's position on a variety of life issues. Currently, we follow the development of a child in the womb.

Continuing into the third month after the baby's conception, our Church teaches that the human life that began at conception deserves to be respected and nurtured. During this month, since all major body systems have been established, the remainder of the pregnancy is concerned with growth and specialization. The eyelids have closed, and the face becomes better formed. Fingernails, toenails, and early-stage fingerprints are forming. The child can open and close its mouth, swallow the amniotic fluid, turn its head, make a fist, and touch its face. Although sex was determined at conception, at the twelfth week the sex can be determined visually.

The Respect Life Committee's monthly meetings are held on the Second Saturday of the month in the Herrick Room in the Parish Center, 9 am to 10 am. The next meeting will be this Saturday, May 11. **All are welcome!** For info., please contact Jim Murphy at [grndfrmurphy@gmail.com](mailto:grndfrmurphy@gmail.com). Look for future educational items and initiatives of the Respect Life Committee.

Dear Parishioners,

Nuestros Pequeños Hermanos (NPH) supports over 8,000 vulnerable children and adults annually in nine countries in Latin America and the Caribbean and provide them with a home, food, education, medical and caring staff to become productive citizens.

June 2<sup>nd</sup> is Godparents Day, and for the month of May we are hoping to have 31 children who are looking for godparents to be sponsored over the 31 days in May. You will receive updates and can correspond with your godchild!

You will be matched with an NPH child, like Ximena in El Salvador. Ximena was born into a very poor family with a mother, father and brother. Unfortunately, her mother suffered from mental disabilities which left an unstable home.

In 2011, Ximena was placed under governmental care and it was decided that Ximena would live at NPH El Salvador full time when she was only 1.5 years old. Upon arrival, NPH provided a thorough medical analysis which revealed Ximena suffered from anemia, malnutrition, epilepsy, bronchopneumonia and delay in psychomotor activity due to being malnourished her entire life.

With the support of NPH staff, Ximena slowly began to thrive. NPH fed her back to health, the medical team provided close supervision, the therapy team helped increase her psychomotor skills, and she is currently thriving in the 7<sup>th</sup> grade! She aspires to be a doctor one day to be able to help others, as NPH and staff helped her. She thanks God and NPH for the changes in her life, and often assist our priest in church. She is living proof that donors like you, are saving lives every day.

We hope that you will consider becoming a godparent! For more information on the NPH sponsorship program or to become a godparent, please visit [www.nphusa.org/godparent](http://www.nphusa.org/godparent) or reach out to me directly and I'm happy to share some bios and photos!
