

BRIDGE GOING DEEPER FOR ADULTS - OCTOBER 2019

WWJD

Bridge is our Monthly Faith Formation Program for all ages!

Each month we will talk about a different topic and provide additional resources for families and for adults that might want to go a deeper!

At Bridge this month we discussed Catholic Morality, by discussing WWJD!!

In the parent session, we looked at how to have our faith inform our decisions and what it means to form our conscience. We looked at several Moral Dilemmas and talked about ways of forming our consciences. If you would like to see where much of the data we used came from:

Also, would you like to keep the conversation going. Here is another way to look at making decisions from Fr. Mike Schmitz.

If you would like to dig a little deeper. The United States Conference of Catholic Bishops has a What we believe section that outlines the Catholic Beliefs about many topics. You can see what the Church Teaches on Morality
