DAILY MASS SCHEDULE

Monday - Saturday at 8:15 am in main church
(no registration required)

IN THIS TIME OF PANDEMIC - Holy Family Parish follows the standards and guidelines outlined by the Commonwealth of Massachusetts and the Archdiocese of Boston, which include putting into place the necessary accommodations and safeguards intended to prevent people from contracting the coronavirus and limit its contagion when they come into our church. This initial phase of reopening of churches requires a significant reduction in the number of occupants to assure appropriate social distancing and some adaptations to the way we celebrate Mass. Masks are currently required of all participants during Mass with exceptions only for small children and for medical reasons. At this time, elders and those in vulnerable populations are encouraged to stay home and **view Mass at Holy Family on our 9:00 am live-stream available on our website: www.holyfamilyduxbury.org.** A recording of the Mass is available afterwards on our YouTube Channel and Facebook page - Holy Family Duxbury. The dispensation from the obligation to attend Sunday Mass remains in effect.

If we learn that someone who attended Mass here at Holy Family has tested positive for COVID-19 and you registered to come to Mass, we will let you know using the contact information you provided when you registered. If you did not provide your contact information and wish to be contacted in this event, a list will be available at the front entrance where you can provide your name and email address. We will also make an announcement at parish Masses and on our website.
