

Our beautiful fall weather has been with us for a while, and I'm sure that we're very much looking forward to all of the leaves changing colors, and giving us a gorgeous landscape to "peep" at without having to go anywhere to do it!

I'm sure you all recognize the name of the **newest member of the lectoring ministry** in the schedule above. Deacon Art has done so much for Holy Family for so long, and it's a pleasure to have him join our group. It's great to have you with us, Art!

One color that everyone looks forward to in the fall is Celtic Green, which the home team will be wearing on Friday, October 22, when the defending NBA champions begin their 2024-25 season against the NY Knicks. Go Green!
